

HungerCoin X — Institutional Pitch

Executive Summary:

HungerCoin X (\$HUNGER) is a memecoin with a pragmatic model designed to deliver real returns to institutions and holders, while funding verifiable social impact. Total supply: 1,000,000,000,000 (1 TRILLION). 60% planned burn (30% post-presale + 30% staged).

Why join as an institution?

- Mixed presale allocation for institutions (40% of the presale pool).
- KYC + vesting 6-12 months to avoid dump risk.
- Revenue-share opportunities via RWA partnerships and future merchant integration.
- Transparent reporting and on-chain proof for donations and burns.

Suggested Offer for Institutions:

- Private pool allocation up to 80,000,000,000 HUNGER (part of presale).
- Vesting: 6-12 months (negotiable).
- Monthly institutional report including KPIs (impact, revenue, burn status).
